Campus Facilities Inspection Report

Report No: CFI/Q2/2024/07
Date: 05/07/2024

Period covered: April to June 2024. Prepared by the Estates Department for the Registrar.

Findings

1. Three classrooms in Block A have faulty projectors.

2. Fire extinguishers in Block C are due for refill.

3. Water purifier maintenance in the main canteen is overdue by six weeks.

Recommendations

Replace the projectors before the new semester, refill all extinguishers within 15 days and sign an annual maintenance contract for water purifiers.

Conclusion

Facilities are largely in good condition; the safety items need urgent attention.
